1st for Switzerland

Overnight rail service to Belgian hub

● Rotterdam

● Antwerp

● Neuss

● Frenkendorf

● Niederglatt/
Zurich

● Melzo

“ With the new direct service to Antwerp we provide shippers in Switzerland and neighbouring regions with a reliable new rail service that offers substantial time savings in comparison with other means of transport up to now. We are delighted that we can cooperate with the Port of Antwerp and terminal operator DP World in offering this service.”

Roman Mayer – President of the Swissterminal Group
